

WU

SIDE TABLE VERSION

Composed from three simple shapes - circle, rectangle, and triangle - the Wu's construction is deceptively complex. Perspective transforms its surfaces into lines and then into planes, making for an enigmatic object that is, as it turns, either blithely buoyant or rigorously rooted to the ground.

14.5"Ø x 18"H

Solid Wood: Walnut, Blackened Walnut, or Bleached Maple

Lacquered Wood: Mushroom, Silt, Clay, Dove, Flint, Charcoal, Caviar, Peach or Bone

Solid Wood Construction.

All pieces made-to-order.

Made by hand in NYC.
